FRIENDS FLY FREE ON NASHVILLE NONSTOPS

(ATHENS) To celebrate launch of daily nonstop flights between Athens, Georgia and Nashville, Tennessee, **GeorgiaSkies** invites friends to fly free.

GeorgiaSkies inaugurated Nashville service July 09th 2010 with one daily roundtrip. Flight 181 departs Nashville at noon and arrives in Athens at 2:30 PM. Flight 199 departs Athens at 7:00 PM and arrives in Nashville 7:30 PM.

The new nonstop flights between Athens and Nashville operate every day of the week. **GeorgiaSkies** offers a one-way fare of \$87, plus taxes and airport fees, on tickets purchased at www.georgiaskies.com.

The airline is monitoring the new route, poised to add flights as demand increases. "Our customers in Athens have been

incredibly loyal." Said **GeorgiaSkies** Area Manager Michael Pittman. "We believe the community will support nonstop service to Nashville."

GeorgiaSkies has operated three weekday nonstops between Athens and Atlanta since 2008. Those \$39 flights have proven popular with business travelers and college students seeking easy, inexpensive access to Hartsfield International Airport without lengthy highway commutes and traffic delays.

Pittman believes the new Nashville flights will be a hit with Vanderbilt and UGA fans who want to attend away games without the five hour drive.

To introduce the new service, **GeorgiaSkies** is offering free companion tickets for reservations booked on the new Nashville flights through the airline's toll-free reservations number before July 31st 2010. Companion tickets must be used in conjunction with full-fare tickets on the same date and flight, and travel must be completed on or before November 15th, 2010.

Promotional fares are non-refundable. Change fees and other conditions may apply. For reservations and further information,

contact **GeorgiaSkies'** 24 hour toll-free reservations center at 877-849-4997.

GeorgiaSkies is a division of Pacific Air Holdings, a collection of airline brands serving communities throughout the United States for more than 35 years.
